9. The meeting facilities and catering were good				8	5
10. Dinner was good			1	6	3

#### **Sessions that were good, were so because:**

Excellent informative speakers

The speakers were well-prepared and understood the issues

Relevant and engaging

Ability and time for questions, quality of speakers, range of topics

#### **Sessions that were not so good, were so because:**

Some did not have direct applicability for immediate implementation in the ICT context, TLO presentation

All good or better

#### **The next ACM would be better if:**

More Deans turned up

#### **Any other comments**

Excellent ACM, best for a long time

Really useful

Well organised, well done
