

AUSTRALIAN COUNCIL OF DEANS OF
INFORMATION & COMMUNICATIONS TECHNOLOGY

**Annual Council Meeting and ALTA Forum
Launceston, Tue 27 June – Thu 29 June 2023
Schedule draft 4, 26 June**

Contact: Simon, eo@acdikt.edu.au

There is no cost for attendance

Dinners

Dinner numbers are now finalised (check with Simon at the event if you don't remember whether you're included). Both dinners will be held at Peppers Silo hotel. Drinks will be from 6pm in a set-aside section of Woody's Bar, and dinner from 6.45 in Grain of the Silos restaurant.

Venue

The meeting venue is the Inveresk campus of the University of Tasmania; on the map on the last page of this document it is Rivers Edge, building 2. We will be meeting at level 3, room 309.

Travel

There are direct or indirect flights to Launceston airport from most major cities.

Accommodation

A web search for 'hotels inveresk launceston' finds many accommodation options. Our host suggests Peppers Silo as a regular hotel or Peppers Seaport for anyone preferring an apartment-style option.

Schedule

Please see the next three pages.

Weather

Find your own forecast. People from northern climes are advised to prepare for cool weather. At 8.30am today (June 22) it was -2°C . However, in response to one enquiry, we are happy to advise that the dinners will not be held outdoors.

ACDICT ACM – Tuesday 27 June
